All Falls Down

A Novel

PLEASE NOTE: This title was previously published under the title The Baby Daddy Interviews. If you've read The Baby Daddy Interviews, do not purchase All Falls Down. All is well in Breonna's life until her husband decides to walk out on her. And then, she finds out that she's pregnant. Breonna refuses to be a single mother, so, taking her friends' advice, she puts an ad in the local newspaper seeking a father figure for her child. It doesn't take long to find one, but Vaughn Ramos may be looking to be more than just a father to her baby. A lot more. Having lost his family in a horrible accident, he's looking to start over again, hopefully with Breonna. But when it's all said and done, who will end up with Breonna - her husband who left her or the man she hired to be her baby's father?
