

Feng Shui: A Practical Guide (The Healing series)

Ancient and modern healing techniques are given new life in this series of practical guides. Covering such diverse methods as treating the body's aura, applying the art of feng shui to the confines of a city home, and self-administering pressure point massage, these books each present a complete course of instruction with easy-to-understand terms and exercises. The methods and philosophies found in this series will easily become part of illness-prevention routines and relaxation techniques for both beginners and professional practitioners alike.
