

Between Husbands and Friends

Now available for the first time as an eBook, this poignant novel by New York Times bestselling author Nancy Thayer tells the engrossing story of two women, two families, and a shocking revelation that changes everything. When Lucy West and Kate Cunningham meet, the two spirited young women recognize kindred spirits in each other. Both Lucy and Kate married early and lack complete confidence in the brave new world of mothering. As their friendship deepens, their lives become fully intertwined. With husbands and children in tow, they spend glorious summers together in a large house on Nantucket island, sailing and feasting on lobster and when their husbands are back on the mainland, the two women even get a chance to kick up their heels. The closest of allies, Lucy and Kate share their highs and lows, their joys and darkest secrets. Or so Kate thought. One summer, in the midst of a devastating family crisis, Lucy reveals a truth she has long kept hidden from her best friend. And in the aftermath of this astonishing revelation, the lives of the Wests and the Cunninghams will never be the same.
