

Bitter Almonds: Mothers, Daughters and the Seattle Cyanide Murders

New York Times bestseller with photos!
File updated and corrected July 3, 2015!
Stella Nickells small-time world was one of big-time dreams. In 1986, her biggest one came true when her husband died during a seizure, making her the beneficiary of a \$175,000-plus insurance payoff until authorities discovered Bruce Nickells headache capsules had been laced with cyanide. In an attempt to cover her tracks, Stella did the unconscionable. She saw to it that a stranger would also become a random casualty of cyanide-tainted painkillers. But Stella's cunning plan came undone when her daughter Cynthia notified federal agents. And troubling questions lingered like the secret of bitter almonds...
What would turn a gregarious barfly like Stella Nickell into a cold-hearted killer overnight? Why would Cynthia, a mirror image of her mother, turn on her own flesh and blood? Did Cynthia reveal everything she knew about the crimes? The stunning answers would unfold in a case that sparked a national uproar, dug deep into a troubled family history, and exposed an American mother for the pretty poison she was. Stella Nickell is considered by many to be one of the first domestic terrorists -- the first to be convicted under American product tampering laws. Gregg Olsen's Bitter Almonds is true crime writing at its best.

Editorial Reviews. Review. Absolutely fascinating one of the most devious female minds in Bitter almonds : the true story of mothers, daughters, and the Seattle cyanide murders / Gregg Olsen. Olsen, Gregg, (Author). Image of item. Book. Place Hold on Bitter Almonds: The True Story of Mothers, Daughters, and the Seattle Cyanide Murders. By: Olsen, Gregg. Price: \$3.95.
