

Black Berry, Sweet Juice

Lawrence Hill's remarkable novel, *Any Known Blood*, a multi-generational story about a Canadian man of mixed race, was met with critical acclaim and it marked the emergence of a powerful new voice in Canadian writing. Now Hill, himself a child of a black father and white mother, brings us *BLACK BERRY, SWEET JUICE: On Being Black and White in Canada*, a provocative and unprecedented look at a timely and engrossing topic. In *BLACK BERRY, SWEET JUICE*, Hill movingly reveals his struggle to understand his own personal and racial identity. Raised by human rights activist parents in a predominantly white Ontario suburb, he is imbued with lingering memories and offers a unique perspective. In a satirical yet serious tone, Hill describes the ambiguity involved in searching for his identity on a especially complex and difficult journey in a country that prefers to see him as neither black nor white. Interspersed with slices of his personal experiences, fascinating family history and the experiences of thirty-six other Canadians of mixed race interviewed for this book, *BLACK BERRY, SWEET JUICE* also examines contemporary racial issues in Canadian society. Hill explores the terms used to describe children of mixed race, the unrelenting hostility towards mix-race couples and the real meaning of the black Canadian experience. It arrives at a critical time when, in the highly publicized and controversial case of Elijah Van de Perre, the son of a white mother and black father in British Columbia, the Supreme Court of Canada has just granted custody to Elijah's mother, Kimberly Van de Perre. A reflective, sensitive and often humorous book, *BLACK BERRY, SWEET JUICE* is a thought provoking discourse on the current status of race relations in Canada and it's a fascinating and important read for us all.

Lawrence Hill talks about racial identity in Canadian children of mixed marriages. *Black Berry, Sweet Juice: On Being Black and White in Canada*, by Lawrence Hill. ISBN: 9780006385080.
