

## Seeker After Truth: A Handbook

This book is an anthology of the extraordinary diversity of Sufi ideas and activities in many countries and cultures today. Nothing approaching this kind of survey has ever been assembled. Included are first-hand accounts of Sufi learning methods; the Sufi meeting place; avoiding imitators; Sufi work enterprises; the idea of organic enterprises; entry into a Sufi group; the Sufi Adept and the projection of mind; extra-sensory perception; what the Sufis do not want us to know; and more.

There are, of course tales of the classical masters, anecdotes and narratives, remarks at dinner meetings. All that stuff. But one of the most notable things about a Sufi school comes into being, like any other natural factor, in order to flourish and disappear, not to leave traces in mechanical ritual, or anthropologically. *Seeker After Truth* goes beyond the familiar first do this, then do that style of handbook, transporting the reader to new ranges of perception, according to his or her *Seeker After Truth* is a generous achievement, a sort of manual for those who would walk the Sufi path. There is a wide variety of material quotes, anecdotes, This collection of tales, discussions, teachings, letters and lectures is a handbook, inviting the reader to re-examine the assumptions of his particular culture. 50 quotes from *Seeker After Truth*:
