

Choose Love: A Mothers Blessing Gratitude Journal

Choosing to love is a daily, intentional decision that is not always easy, but is incredibly rewarding and hugely important in the lives of those God has entrusted into our care. This journal was designed to serve as a constant reminder to moms to live and mother out of love -- even on the hard and difficult days. Loving our children well not only reflects Christ's love to them, but it's a beautiful gift we can give them. This journal has two lines for every day of the calendar year. You can use these lines to record things you love about being a mom, funny stories or things your kids did or said that day, quick lessons you're learning as a mom, special memories, or even just blessings. Choose Love provides a quick and simple way to stop and take time to record things you might otherwise forget to write down. And at the end of the year, it's such a fun exercise to go back and read over what you've written from that year -- reminding you of blessings, struggles, and memories shared together. Filled with inspirational quotes and practical tips, this journal will encourage you to choose love each day and express gratitude for your children while you revel in the blessing of motherhood.
