

Coming Home - A Chronicle of Spiritual and Personal Growth and Development

Coming Home is a tapestry of a community, a life style chosen by a professional woman who came from a secular background into this Chabad Lubavitch Community. Her speeches, poems, psalms, automatic writings and dramatic personal experiences, which she shares without reservations, her paintings and that of four other artists in the community create a visual and literary Soul Reflection.

Its premise is that intentionally developing our spirituality and spiritual to our overall resiliency when we face serious personal and military challenges. or a traumatic change the fortitude to bounce back from difficult experiences. existence and have the ability to seek spiritual awareness and growth.
