

Redboy the Indian Bull Rider

Ride along through the great northern plains of America and Canada as a young Native American bull rider fights for an identity separate from the lifestyle of the poverty stricken reservation conditions he grew up in to become a Bull Riding Champion of the Great Plains Indian Rodeo Association. Get a look at the current state of tribal warfare in America through sports competition. The Blackfeet pride he has struggled for as a half breed which he has had to fight for on his own rez is on the line as he challenges the Professional Bull Riders of the great Sioux Nation. Redboy the Indian Bull Rider is a true life story about the Native American rodeo life of a struggling young American Indian bull rider.
