

Love, Honor, Obey?

When Diana Sorensen and Lee Gabriel meet, there's an instant attraction. But Diana does everything in her power to resist his charms, because her son Kent and Lee's daughter Allison are engaged, and Diana isn't sure their engagement will last. Under those circumstances, she knows it would be a huge mistake to get involved with Lee. Yet she finds him irresistible. This romantic two-volume set tells both stories: Diana's and Lee's and Kent's and Allison's. Wedding bells will definitely ring, but for whom? In the capable hands of Patricia Kay, these two charming stories will keep you turning pages far into the night.
