El Zohar es, sin duda alguna, la obra mas famosa del pensamiento místico universal, y de la Cabala en particular; a través de enseñanzas y relatos cargados de una fuerza vital impetuosa, su sola lectura modifica y transforma la vida de una persona a niveles de los que únicamente puede atestiguar y transmitir quien se ha prestado a esta increíble vivencia de Luz abrasadora. Sus enseñanzas influyeron en el pasado y repercuten actualmente en todas las religiones conocidas. Rabi Simon Bar Iojai y sus alumnos, fuera del espacio y del tiempo, analizan, investigan y desmenuzan los temas mas profundos y hermeticos de la existencia humana. / The Zohar is undoubtedly the most well-known work of the universal mystical thought, and particularly of the Cabala; through its teachings and stories containing an impulsive vital force, only by reading this work it will change and transform your life at levels to which only a person who has made this incredible experience of scorching light can bear witness.
