

Queen of Babble Gets Hitched

Big Mouth, Big Heart, Big City ... Big Problems Things are looking up at last for Lizzie Nichols. She has a career she loves in the field of her choice (wedding gown restoration), and the love of her life, Jean-Luc, has finally proposed. Life becomes a dizzying whirl of wedding gown fittings not necessarily her own as Lizzie prepares for her dream wedding at her fiancé's chateau in the south of France. But the dream soon becomes a nightmare when the best man whom Lizzie might once have accidentally slept with...no, really, just slept announces his total lack of support for the couple, a sentiment seconded by the maid of honor; Lizzie's Midwestern family can't understand why she doesn't want to have her wedding in the family backyard; her future French in-laws are trying to lure the groom back into investment banking; and Lizzie finds herself wondering if her Prince Charming really is as charming as she once believed.
