

Seeking Something (Sun, Sea and Submission, Book Six) by Kim Dare

Billy Lewis thinks he might be gay. Hes also thinks he might be a submissive. The only thing hes really sure of is that, at twenty-three years old, its time he found out what hes really into. A hotel full of kinky gay men seems like the perfect place to find some answers. A little bit of alcoholic courage, and hes ready to dive right into the deep end. Gareth Vaughn isnt the kind of man to second guess who he is or what he wants. Hes gay. Hes a dom. Hes at the hotel looking for a weekend of no strings fun with a willing sub. But, hes not the kind of man wholl leave a boy whos drunk and out of his depth to sink or swim among strangers. Gareth and Billy couldnt be more different, but theyre both at the hotel seeking somethingand theyre both about to get a whole lot more than they expected.
