

God: A Guide for the Perplexed

In *God: A Guide for the Perplexed*, bestselling author Keith Ward has crafted a unique, perceptive, witty, and informative introduction to the mysteries of the divine. From the essential truths presented in ancient Greek mythology via the stories about Olympian gods, through the key ideas of major philosophers such as Nietzsche and Marx, to the surprise insights offered by such diverse elements of our experience as Romantic poetry and the film *Alien*, Ward draws on everything that has either directly or remotely influenced our knowledge of a higher force. His book therefore provides not only a multi-disciplinary and comprehensive account of the different manifestations of God, but, most importantly, offers a humorous and engaging encounter with both humanity's belief in God and our exploration of that belief. Mixing the eclectic with the sublime, this illustrated and profound volume will be a compulsive page-turner for anyone interested in the real core of the philosophical and spiritual quest for meaning.

This addition to our popular *Guides for the Perplexed* series tackles a subject that is: How are creatures related to God, and does God act within creation? At the beginning of the 21st century, God has become boring and irrelevant, states Keith Ward in this thought-provoking text. Ward presents an investigation of *In God: A Guide for the Perplexed*, bestselling author Keith Ward has crafted a unique, perceptive, witty, and informative introduction to the mysteries of the: *God: A Guide for the Perplexed* (9781851683239) by Keith Ward and a great selection of similar New, Used and Collectible Books available.
