GAY ROMANCE from best selling author R.P. James My Friday afternoon on the golf course is starting to really heat up... God, what a beautiful day. The sun is shining and everything seems perfect, with myself and three of my buddies from work spending our day off out on the greens. From afar I admire my three absolute sexpots of co-workers- Bill, Warren, and Mark, all three of them devastatingly attractive, and stirring something inside me as the day goes on, that I can hardly seem to suppress. Secretly, Ive always had closeted feelings for other guys, and though I would never admit it, it becomes more and more difficult for me to remain in these mens presence as the hours roll by. Then, suddenly, Mark catches me staring at him on the seventeenth hole. I try to avert my eyes, to pretend like its nothing, but suddenly hes descending upon me, calling me on my attraction to him, and before I know it, the two of us are getting very, very, very down and dirty... *Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing ;-)
