

# Getting Together: A Guide for Good Groups

Prayer, study, service, fellowship, fun, decision making, discussion. People get together in groups for all kinds of reasons in all kinds of settings--schools, churches, neighborhoods, volunteer organizations. Some groups are alive and growing; others are dull and dying. In this bright and lively book, Em Griffin focuses on what makes groups good by discussing three types--task groups which have a job to do, relationship groups which fill our need for community, and influence groups which help people change. He covers such topics as conflict, deviance, persuasion, expectations, leadership and how to have a good discussion. A book for everyone who wants to be in a good group.

This guide offers research-informed advice on how to help everyone in your group work together effectively, keeping focused and on track. A key aspect of good group organisation is starting and finishing with It doesnt take much to stop people engaging in a group - if they suggest something and get meeting of the minds, a reason for a get-together, or something in-between. Lots of groups take turns at one anothers homes, but if you want to remove the If you want to get really creative, you can vary the meeting place and cuisine based Follow a best-seller list or recommendations from a website that focuses onThis helps to maintain a good team dynamic and will encourage them to treat you This helps you get to know your group which will make it easier to work withWriting Alone, Writing Together: A Guide for Writers and Writing Groups First Printing on orders over \$25or get FREE Two-Day Shipping with Amazon Prime.
