

## The Secular Wizard (A Wizard in Rhyme Book 4)

**THE WANDERING WIZARD** In sunny Latruria, the wicked old king was dead, and the new king spurned the rule of Evil. But turmoil began to spread, even across the border, when the new king also resisted Good! In nearby Merovence, Lord Wizard Matt Mantrell donned a disguise and set off to investigate--never dreaming that Latrurias sinister prime minister was mobilizing his minions... Minstrel Matt sang his way south, dodging deadly enemies and music critics alike. He was teamed with a lovesick lad, menaced by a manticore, haunted by a ghost from Greece, and swept along in a flood of youngsters fleeing the provinces for the glamor of the city. But when they all washed up in the capital, harsh reality awaited them, not gold-paved streets. And even harsher reality awaited Matt. The Lord Wizard faced the ultimate test of magic--and he would need a lot of help to pass!
