

The Deep of the Sound

Cal McCorkle has lived in Bluewater Bay his whole life. He works two jobs to support a brother with a laundry list of psychiatric diagnoses and a great-uncle with Alzheimers, and his personal life amounts to impersonal hookups with his boss. Hes got no time, no ambition, and no hope. All he has is family, and theyre killing him one responsibility at a time. Avery Kennedy left Los Angeles, his family, and his sleazy boyfriend to attend a Wolfs Landing convention, and he has no plans to return. But when he finds himself broke and car-less in Bluewater Bay, hes worried hell have to slink home with his tail between his legs. Then Cal McCorkle rides to his rescue, and his urge to run away dies a quick death. Avery may seem helpless at first, but he can charm Cals fractious brother, so Cal can pretty much forgive him anything. Even being adorkable. And giving him hope. But Cal can only promise Avery until we cantand the cost of changing that to until forever might be too high, however much they both want it.
