

# Interpersonal Messages (3rd Edition)

Engages students with lively and accessible insights into interpersonal skill development. Interpersonal Messages creates a foundation for students to understand the concepts of interpersonal communication and to develop the necessary skills to apply what they have learned through comprehensive coverage, exercises, and real life examples. With a focus on skill-building, this text helps today's students understand how to master interpersonal communication and relationship skills in every area of their personal, social, and professional lives.

MyCommunicationLab is an integral part of the DeVito program. Key learning applications include MediaShare, assessment and sample speeches. A better teaching and learning experience

This program will provide a better teaching and learning experience for you and your students. Here's how: Personalize Learning

MyCommunicationLab is online learning. MyCommunicationLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking

Learning objectives at the beginning of every chapter help students focus on what they need to learn.

Engage Students Discussions focus on real-life topics to keep students engaged in the material. Apply Ethics

Ethical issues in interpersonal communication are addressed. Support Instructors A full set of supplements, including MyCommunicationLab, provides

instructors with all the resources and support they need. 0205943608 / 9780205943609
