

Joy Comes in the Morning: Praise Him Anyhow Series, Book 2

Love was a four-letter word, and trust was an even worse five-letter word that Joy Marshall had no patience for. Young, beautiful and a successful attorney, Joy is any mans dream, but since her life became a nightmare after her father divorced her mother, she wants nothing to do with the heartache that love can bring. Lance Bryant isnt fooled by Joys cold hearted exterior. He knew she was the one for him at first sight, and would stop at nothing to help her find her way back to love. But even the charismatic Lance Bryant is no match for the pain that has been inflicted on her heart. Joy will need a spiritual intervention that only God can bring if she is ever to truly open her heart and mind to the possibility of love for a lifetime. The Marshall family discovers that although weeping may endure for a night, Joy Comes in the Morning, so you might as well go on and praise Him anyhow.
