

Emma: Bride of Kentucky (American Mail-Order Brides Book 15)

Emma: Bride of Kentucky is fifteenth in the unprecedented 50-book American Mail-Order Brides series. Emma Waterston is determined, headstrong, and comes from a lifestyle where class structure determines one's associations. Left destitute after the death of her mother, she takes a job at a textile factory. When a fire destroys her place of employment, leaving her penniless again, she makes a desperate decision and answers an ad for a mail order bride from a wealthy Kentucky horse breeder. Sam Hawley is content with his life as a horse trainer on an affluent Kentucky estate. His primary focus has always been on the horses. He views their owners as rich people with nothing to do but flaunt their money. Loyalty to his mentor is the only thing that keeps him rooted to one place. When he meets the bride-to-be of the man he detests the most, his life is about to change. Too late, Emma discovers the ad she answered was too good to be true. Her future husband is not what she was led to believe and a horrific experience leaves her no choice but to face the kind of life she's been trying to escape. Kentucky was supposed to promise a return to her life of wealth. What she finds instead will redefine her definition of being rich. Rated PG/Sweet (some language, kissing, all intimacy behind closed doors)
