

Out on a Limb

When Elise McAlister's hang glider is shot down, she survives the fall to find her troubles have followed her to the ground. There's a gunman chasing her and, worst of all, he runs her right into Henry Cutch McCutcheon's arms. With the generations-old feud between their families, depending on any McCutcheon is difficult. And depending on Cutch, the man who loved her but left her, seems disastrous. But Cutch won't lose this chance to win Elise back and keep her safe. Together, they take to the skies again to find the source of the deadly secret, little knowing someone's already setting them up for a fall.
