Gods Timetable reveals how God not only described the creation of the universe on page 1 of the Bible, but also left hints that reveal: the future of mankind from Adam onwards; Jesus role in creation; and how the physical creation of the universe unfolded. These insights also reveal the intimacy God during the Genesis account - something the Church has missed. It also makes sense of many intriguing issues that have been a puzzle for thousands of years. In colloquial terms, this is a makeover for the book of Genesis. It will renew your image of God.
