

Relentless (Cottonwood Falls Book 1)

Not everything new is best Tobias Latner has come home to buy up property and build a new mall. With the misguided belief it will be best for the town, hes shocked by the amount of resistance he receives. More than that, hes shaken by the intense attraction he feels to one of the residents. Dr. Melinda Glazer comes home when her father is diagnosed with cancer, to work the clinic so it doesnt have to close. Her lust for Toby Latner is a distraction she feels she can move beyond if she gets it out of her blood. She doesnt realize how wrong she is, nor how relentless the businessman can be when he sets his sights on something he wants.
