

Roreys Secret (Country Road Chronicles Book #1): A Novel

When all seems lost, out of the ashes redemption rises. Determination and faith have kept Samuel and Julia Wortham and their family safe through many trials. Together with their neighbors, the Hammonds, they have much to be thankful for—health, home, and happiness. But in the fall of 1938, life on their Illinois farms takes an unexpected turn. When a raging fire breaks out and threatens to destroy the Hammond farm, the two families find themselves clinging to their faith in God. But as they face the daunting task of rebuilding what was lost, it seems that things will never be the same. Meanwhile Sarah Wortham is harboring a troubling secret that could reveal the cause of the fire, but she finds herself caught between a promise to a dear friend and the truth about what really happened. A compelling tale of courage and community, *Rorey's Secret* continues the captivating saga of the Wortham family, who with trust and determination discover the restoring and healing power of forgiveness.
