

## Learning To Love (Contemporary Romance) Complete Collection

Here, presented in one volume, are the four stories that comprise the Learning To Love series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. After his girlfriend of six years publicly rejects his marriage proposal, Marc is hurt and pissed off. All he wants to do is get away, but he hadn't planned for the blizzard that causes him to go off the road. Forced to walk a mile in the blinding snow, he happens upon a bed and breakfast owned and operated by Alyson the girl from college he always used to fantasize about. Alyson vaguely remembers Marc, but definitely not as clearly as he remembers her. But as they begin to talk, things heat up and Alyson finds herself naked and orgasming beneath him. It's glorious, but when it's over, the reality of what she has done comes crashing down around her. She's sworn to stay true to her fiancé, Greg, who had died while serving his country. But she hadn't, and the guilt is consuming her. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
