**WARNING:** This is not a traditional love story. This book is fiction and contains material readers may find offensive. This is the updated version that contains the happily ever after epilogue. Ruby Jacobson wanted a new life, but it seems fate gives her a twisted version of it. Taken from her bed, and sold like an object, Ruby believes death is a far better outcome than what fate has in store for her. Or so she thought. Gavin Darris has always desired the darker pleasures in life. Normally not one to purchase his playthings, he needs a woman who will bend to his will, and derive pleasure from it, too. He sees Ruby, one of the many women for sale, and he wants her as he never wanted anything else before. She has a fire in her eyes and a determination not to yield. She looks like a fighter and is exactly what he is looking for. Making her submit will be almost as pleasurable as finally sating the darkness inside of him. He is ruthless in what he wants, and what he wants is Ruby. The dark desires Ruby has felt inside of her are about to be tempted in the most horrifying of ways. She should hate Gavin and fear everything he represents, but she can't deny that her body aches for his touch. He tells her she is his; that he owns every part of her, and everything inside of her knows that is the truth. Faced with the ultimate decision, Ruby must choose to escape and gain her freedom, or stay with Gavin, the monster whose delicious punishment makes her yearn for more. Both are frightening.
