

Cowboy in the Extreme (Mills & Boon Intrigue) (Bucking Bronc Lodge, Book 2)

There's an intruder in my cabin! The moment he heard Kim Long's terrified voice on the phone, Brandon Woodstock knew he had to help her and her little girl. Once, he'd promised to love and protect Kim forever. Now, in spite of the secrets that had come between them, the Texas rancher intended to keep that promise. But rescuing Kim riled all the wrong people and rekindled the attraction he'd thought ended with their broken relationship. Honoring his role as Kim's fiercest protector, he whisked her and her daughter to safety without considering the consequences. With a target on Kim's back and old wounds reopened, Brandon thought there'd be no more surprises. He'd never been more wrong.
