[Siren Classic ManLove: Erotic Alternative Historical Fantasy Romance, M/M, gods, shape-shifters] Jarl Radulfr is a warrior, the chieftain of his people. It is his duty to protect and fight for them. But duty comes at a price. Radulfr has no one to call his own. When his clan is attacked, he accepts a bride in a peace-pledge to avoid war with a neighboring clan. He doesn't know until he arrives that the bride he has come to claim is a man. His betrothed is not what he expected, but Radulfr has sworn upon his honor to accept the peace-pledge. It doesn't hurt that Ein is pretty damn cute. Radulfr decides to accept things as they are and begins to take Ein home. But there are those that don't want them to reach home, gods, mercenaries, and the man who started the war in the first place. Radulfr and Ein will have to use all of their wits, and the growing bond between them, to keep themselves alive because gifts from the gods come at a price. \*\* A Siren Erotic Romance
