

Outlaw Angel (Old West Redemption Book 1)

First Published as Love Finds You in Sundance, Wyoming--this is a reissue with a new title and an epilogue added. Angel Ramirez has been on the run for years disguised as a boy. She wants a fresh start, but can she learn to live like a lady? On the run from a dangerous outlaw, Angel works her way across several states disguised as a boy and working as a varmint tracker and horse wrangler. After taking a job on a Wyoming ranch owned by a bachelor and his widowed sister, she finally reveals her true identity and must fight to prove her worth as a ranch hand while somehow discovering her role as woman. Hiring a woman doesn't sit well with Travis Morgan, and the dark-haired beauty is causing a ruckus among his cowboys. Just as Angel decides she'll never be able to please her boss, an unexpected surprise arrives from across the ocean and makes trouble on the ranch. Will Angel leave with the person who's come so far to claim her?
