

Gilded Age : A Tale of Today by Mark Twain

The Gilded Age: A Tale of Today is an 1873 novel by Mark Twain and Charles Dudley Warner satirizing greed and political corruption in post-Civil War America. The term gilded age, commonly given to the era, comes from the title of this book. Twain and Warner got the name from Shakespeares King John (1595): To gild refined gold, to paint the lily... is wasteful and ridiculous excess. Gilding a lily, which is already beautiful and not in need of further adornment, is excessive and wasteful, characteristics of the age Twain and Warner wrote about in their novel. Another interpretation of the title, of course, is the contrast between an ideal Golden Age, and a less worthy Gilded Age, as gilding is only a thin layer of gold over baser metal, so the title now takes on a pejorative meaning as to the novels time, events and people.

A comic tale of land speculation and greed that is depressingly familiar. A Novel of Today indeed. Although this was written in the early ages of the Gilded AgeThe gilded age a tale of today, by Mark Twain (Samuel L. Clemens) and Charles Dudley Warner. Fully illustrated from new designs by Hoppin, Stephens,The Project Gutenberg EBook of The Gilded Age, Complete by Mark Twain and Charles Dudley Warner This eBook is for the use of anyone A Tale of Today.
