

The Grove (Guardians of Destiny)

THE NEW GUARDIANS OF DESTINY NOVEL
Calm the magics caught in thrall:
Put your faith in strangers
pleas, Watcher, Witch, and treasure
trove; Ride the wave to calm the
trees, Servant saves the sacred grove. At the
behest of their leader, the Witches of
Darkhana are mobilized. Their mission:
gather the most honest, true servants of
each deity so that they may respectfully
represent their land at the reopening of the
Convocation of Gods and Man. For
Witch-Priest Aradin Teral, his part in the
quest has taken him across the length and
breadth of Katan, searching for the best
possible representative of an empire bent
on preventing that very task. Ever since the
destruction of the last Convocation, the
magics of the Grove have been warped,
endangering pilgrims and residents alike
and requiring the guardianship of the
strongest mage the priesthood can spare.
Priestess Saleria is now the Keeper of the
Grove, and Guardian of the Divine Garden.
The arrival of a black-robed stranger
bearing the faces of two men brings the
promise of change, even peace, to the
isolated valley. But it also ushers in an
irresistible passion and a threat to Saleria's
control of the wildest magics in the woods
