

The Ice Prince (Orsini Brides Book 5)

Prince Draco Valenti, known as the ice prince, bears his title reluctantly, and wears his icy exterior like a suit of armor that no opponent can penetrate. Except Anna Orsini. She isn't any ordinary adversary, she's a high-flying, straight-talking lawyer in a no-nonsense suit and killer stilettos conflicting signals that perplex, frustrate and attract Draco all at the same time. While they're at odds in business, in the bedroom Draco's desire for Anna has the power to melt his defenses. The temptation to play with fire is overwhelming.
