

Ask the Universe: Manifesting Magic Secret 4

Ask, believe, receive - this is not magic it is a law of the universe and it will act whether you are conscious of it or not. It will apply to beliefs that serve you in a positive way but also to all those that dont. Some beliefs are unique to us while others are universally shared. We collectively believe our bodies must age and then become decrepit and useless. We believe that once we become of advanced age we can no longer compete with the younger generation. Does the old woman walk with a stoop because of a genuine physical problem or from carrying the weight of expectation that this is how old people walk? We once believed that running the sub four-minute mile was impossible. However, once Roger Bannister proved that was not true suddenly hundreds of other athletes were instantly able to do the impossible too. Our beliefs have the power to enhance or hinder our lives, and as you are about to discover, so much more than that. In this, the fourth volume of Manifesting Magic you will discover the secrets behind the awesome divine power residing within your body and just how limitless it is. Is it really possible to just ask the universe? You bet it is and you are about to discover the secret to connecting to this celestial power.
