

The Mom Inventors Handbook: How to Turn Your Great Idea Into the Next Big Thing

Mom Inventors, Inc. has received national attention on Today, Oprah, Good Morning America, Regis and Kelly, The View, in The Wall Street Journal, Entrepreneur, People and Parents magazine. This book will appeal to women who have a great idea for a product and do not know how to capitalize on that idea. Includes hundreds of success stories and lessons from some of the most successful stay-at-home entrepreneurs in business, who are selling their products to Wal-Mart, Target, Babies R Us, and One Step Ahead catalog. Tamara Monosoff has expanded her business online through her Mom-invented eBay store and e-newsletters that reach 13,000 inventors in 29 countries, and her mom inventor tele-seminars are propelling her to greater visibility.
