

El Principe Cascanueces (Spanish Edition)

Are you really my daddy? Anna wriggled loose from her mothers grip and gazed up at Kon. You look just like the Nutcracker Prince in my storybook! Meg was shaken by the stars in her daughters eyes, shaken by this new threat to her own fragile emotions and hard-won independence. But she knew it was too late... My mommy told me my daddy lives in Russia and cant ever come to visit, Anna confided to Kon in a loud whisper. Well, your mommy is wrong, Anochka. Im your daddy and Ive always loved you, even though weve never met and I lived far away. But now Im finally here, in America. Kon glanced at Meg. She couldnt, wouldnt, meet his eyes. Im looking forward to our first Christmas together, Anochka. As a family.
