

## Single Moms In Love: Boxed Set of Book TWO and THREE of the Return to Redemption series

A Boxed Set containing Book TWO and THREE of the Return to Redemption series, *Baby, Im Back!* (Book Two) and *The Parent Pact* (Book Three) **BABY, IM BACK!** (Book Two) Originally *The Great Bedroom War* She's trying to forget the pleasure in her ex's arms. He's doing his damndest to remind her. Fledgling entrepreneur Samantha Rivera is in charge of her own life for the first time and determined to keep it that way. She's attempting to banish her call-all-the-shots ex-husband, who could charm the knickers off a nun, from her dreams. Unfortunately, it's kind of tough forgetting the Zorro look-alike who's willing to do anything for her, except give her the only two things she wants--another baby and his love. Corporate vice president Nicolas Riveras refusal to sire a second child ultimately destroyed his marriage. His ex-wife has no clue how terrified he is of losing her to another high-risk pregnancy. Now, Nick will stop at nothing to get his family back--even if it means blackmailing his way into his ex-wife's home--and with any luck--her bed and her heart. **THE PARENT PACT** (Book Three) Cinderella and Prince Charming never had to consider the welfare of their children. When widower Tyler Fitzpatrick meets Annie Barnes at his daughter's school, his libido goes tilt. The sexy single mother is everything he and his grieving little girl need. Unfortunately, Annie flatly refuses his dinner invitation. She wants a husband and a father for her son, not just a boyfriend. And the last time she checked, wealthy, summa-cum-laude lawyers didn't marry high-school-drop-out housekeepers. Tyler concedes there's a vast difference between their experiences and lifestyles. Still, he's inexplicably drawn to the impoverished young woman, even though her little boy reminds Tyler of an underprivileged past he'd rather forget. While becoming better acquainted, he offers Annie a job caring for

his daughter and home in Redemption, PA. He also proposes a Parent Pactan agreement to become role models to each others child and to fill one anothers needs as single parents while they continue to search for true love. Accepting Tylers offer would solve a lot of Annies problems. However, surrendering to her weak-in-the-knees attraction to the irresistible widower could very well leave her and her son heartbroken. Yet, when circumstances threaten her ability to feed her child, Annie reluctantly agrees to the pact, making it clear she has no desire for Tyler to fill her so-called needs in bed. Its a bald-faced lie, but she knows the mans desperation to give his daughter the nurturing she needs will compel him to accept a purely platonic relationship. Now, Annies only problem is resisting the overwhelming temptation to let sin-in-a-tailored-suit Tyler seduce her.
