Elizabeth Gallagher has been balancing on the ragged edge for a while now. Then a rough case on the boards of her 911 operators job collides with a family conflict at home, and Elizabeth finds herself finally coming apart at the seams. A four-state road tripped in a car with her mother is the last thing she needs. Their destination may be beautiful Hatteras Island, but the reason for going is anything but pleasant. After one disastrous hurricane, and with a second one working its way up the coast, it's time to convince Aunt Sandy to abandon her little seaside store on North Carolina's Outer Banks and return to the family fold in Michigan. But when the storm sweeps through, the three women will discover that sisterhood and the sea can change hearts, lives, and futures ... often in the most unpredictable of ways.
