

Taming The Family Zoo (The Truth And Laughter Series Book 1)

... a blueprint for better relationships at home and in the marketplace. Do you ever wonder why people just don't see things the way you do? Is it a constant challenge to keep peace at the office? Have you ever asked, How can two kids from the same parents be so different? Taming The Family Zoo cracks the code to unlock the mystery of challenging relationships. Whether you are dealing with your family of customers, office staff, peers, or the one at home, this book brings to light why some people encourage and motivate you and why some just make you grit your teeth. It's filled with valuable tools for conflict resolution, problem solving, and motivation. You'll discover practical ways to work with different personalities and, most importantly, you'll better understand yourself and the way you think. Taming the Family Zoo is a must read for anyone wanting to construct a better blueprint for stronger, healthier relationships at home and in the marketplace.
