

Some Kind of Wonderful (Treasure Harbor Book 1)

Treasure Harbor: Seven novellas centered around a quest to find treasure hidden by a notorious pirate, Drake Burton, in the seventeenth-hundreds. When Noreaster Igor unearths gold coins on Bounty Beach in Treasure Harbor, treasure seekers from near and far converge on the town in hopes of finding the treasure of a lifetime. Set in the Outer Banks of North Carolina in the seaside town of Treasure Harbor, this eight book series features heroes and heroines who are dealing with the fact that their beloved town has gone treasure crazy. Lara Callahan is a journalist living in Philadelphia and working for the Philadelphia Times newspaper. When her job sends her back to her hometown of Treasure Harbor, North Carolina in pursuit of a story about centuries old pirates treasure, Lara has mixed feelings. Years ago Lara left Treasure Harbor in order to seek a new life away from talk of buried treasure and the hunt for the elusive pirates booty. Her childhood was fractured by her parents obsession with finding the lost treasure; Lara still feels jaded about the dysfunction she and her sister, Avery, endured as a result. Now that shes back in Treasure Harbor, Lara finds herself confronted by the ghosts of the past. Ryan Burton, her childhood best friend and the object of her teen crush, is now a gorgeous, kind man who is determined to find the treasure buried by his ancestor, Drake Burton. Although Lara quickly finds herself falling for Ryan, she isnt sure that she can bear to watch someone she cares about become so consumed with the treasure. Ryan Burton cant believe his eyes when Lara Callahan walks into Pirate Pizza looking all grown up and gorgeous. Years ago they were best friends before the enmity of their families and the centuries old Burton-Callahan feud tore them apart. Now an executive at the Burton import-export family business, Ryan is struggling to make his family proud of his

achievements. Now that gold coins have washed up on Bounty Beach, the town is in a frenzy over the elusive treasure. Wanting to spend time with Lara, Ryan suggests they pool their resources since shes writing a series of articles about the treasure and hes officially become a treasure seeker. When romantic sparks fly between them, Ryan finds himself imagining a future with the spunky journalist. But when tensions rise over the treasure in the small seaside town, Ryan begins to realize that he and Lara are at odds over his pursuit of the treasure. Will Lara and Ryan find their way to a happy ending?
