And anyway, she's given up on the search for a perfect man--until an innocent request from her sister puts her in the path of a man who changes everything. Mike left the rat race behind and retired to a quiet island. Now he purchases boats at auction, lovingly restores them and sells them for profit. His life is complete--until an innocent request from a woman turns his life upside down. Plans are made to be shaken up and in Stella Cameron's, UNDERCURRENTS, plans run into explosive results.
