

Unraveled (A Turner Series Book 3)

The stunning conclusion to the New York Times bestselling Turner series... Smite Turner is renowned for his single-minded devotion to his duty as a magistrate. But behind his relentless focus lies not only a determination to do what is right, but the haunting secrets of his past--secrets that he is determined to hide, even if it means keeping everyone else at arms length. Until the day an irresistible woman shows up as a witness in his courtroom... Miranda Darling isn't in trouble...yet. But she's close enough that when Turner threatens her with imprisonment if she puts one foot wrong, she knows she should run in the other direction. Yet no matter how forbidding the man seems on the outside, she can't bring herself to leave. Instead, when he tries to push her away, she pushes right back--straight through his famous self-control and into the heart of the passion that he has long hidden away...
