

Vagos, Mongols, and Outlaws: My Infiltration of Americas Deadliest Biker Gangs

Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of Americas deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardinis Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this countrys most successful RICO prosecutions and effectively crippling the criminal enterprise, Falcos engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompsons classic Hells Angels, vividly recounting a life undercover.
