

IN PLAIN VIEW (Valley of Choice)

Annie's quest for simplicity is about to get complicated. Nearly a year after leaving her successful but unsatisfying high-tech life, she wonders if she can truly succeed at being Amish. A lucrative job offer, a red dress, and the shadow of an Amish woman looking for a husband create a vortex that clouds Annie's choice. Her parents seem determined to sabotage her efforts, and Rufus Beiler, an Amish carpenter who captured her heart, leaves room for doubt about their future. But when an explosion brings Annie under suspicion, can she clear her name and bring the future into plain view?
