

## Woodrow Wilson: A Life (Penguin Lives)

A portrait of a century's greatest political mastermind Our twentieth-century president was, says Louis Auchincloss, "the greatest idealist who ever occupied the White House." Now, in *Woodrow Wilson*, Auchincloss sheds new light on Wilson's upbringing and career, from the grim determination that enabled him to overcome dyslexia to the skillful dance of isolationism and intervention in World War I to the intransigence that despite his most cherished vision caused the Senate's rejection of the League of Nations. From the dynamic figure whose ringing speeches hypnotized vast crowds, to the gentle voice reading poetry to his children, Auchincloss presents all the triumphs and the final tragic irony of this flawed apostle of world peace.

George Herbert Walker Bush: A Penguin Life (Penguin Lives Biographies) Woodrow Wilson (Penguin Lives Biographies): Woodrow Wilson (Penguin Lives Biographies) A portrait of Woodrow Wilson explores the life, academic career, and presidency of this flawed Woodrow Wilson.
